Session

Annual Tuition

5 Full Days

\$6,700

- A \$50 Registration Fee is payable at the time of registration and will hold the enrollment of your child. If we cannot accommodate your session the fee will be returned to you.
- Full Annual Tuition will be billed to the student account on August 1st. Scholarships and payments will be credited to the account as they are received. ICCS uses several STO scholarship foundations to help parents cover the annual tuition. The uniqueness of each STO causes monthly payments to vary, therefore an estimated monthly payment will be established and communicated to parents. Monthly Payments will help to cover the portion of tuition not covered by scholarships. Making monthly payments will help to avoid a potential large unpaid balance at the end of the year.
- Tuition is payable on a 10-month basis beginning August through May.
- Annual tuition needs to be paid in full by the last day of school.
- Tuition is not prorated or refunded due to absences, holidays, in-service days, acts of God or nature. Tuition must be paid in full before student records can be released.
- Tuition payments may be made online by using your FACTS Tuition Management account or in the main school office.
