- **For new families only** a **\$50.00 Non-refundable Registration Fee** is payable at the time of registration and will hold the enrollment for your child.
- Full Annual Tuition will be billed to the student account on August 1st. Scholarships and payments will be credited to the account as they are received. ICCS Preschool uses several scholarship programs to help parents cover the annual tuition. The uniqueness of each scholarship causes monthly payments to vary, therefore an estimated monthly payment will be established and communicated to parents. Monthly Payments will help to cover the portion of tuition not covered by scholarships. Making monthly payments will help to avoid a potential large unpaid balance at the end of the year.
- Tuition is payable on a 10-month basis beginning August 15th through May 15th. Annual tuition needs to be paid in full by the last day of school.
- The first tuition payment and the month of withdrawal payment are non-refundable.
- Payments are considered delinquent if not received by the 20th of the month or the following school day. A \$25 late fee may be assessed if payments are delinquent.
- Students may not attend class if tuition is more than 30 days late or until arrangements for tuition have been made. Tuition is not prorated or refunded due to absences, holidays, in-service days, acts of God or nature. Tuition must be paid in full before student records can be released.
- Tuition payments may be made by credit/ debit card or dropped off at the school office or mailed to:
