

Uniform Dress Code Colossians 3:12

Dress Code Standards

Student appearance has an impact on attitude and behavior in school and is a sign of respect for the school community and for themselves. The purpose of our uniform policy is to ensure that each student at Immaculate Conception Catholic School is neat, clean and well groomed, to lessen distractions, and to help students develop a sense of modesty, self-respect, school unity, equality, and personal discipline. We are ambassadors of our school and witnesses of our faith, and therefore, our uniform attire should be a visible sign to our community of who we are as Immaculate Conception Catholic School students.

Parents have the primary responsibility for maintaining uniform regulations before students arrive at school. Administration and faculty will be responsible for interpreting and enforcing the uniform policy.

The administration reserves the right to adjust uniform/grooming policies based on school needs. Parents will be notified of any modifications regarding the uniform code.

Uniform Violations

If a student is out of uniform they will receive a Notice of Concern which applies to all students in Grades 4-8. K-3 students will receive a call or note home. Please remember that for uniform violations that cannot be easily “fixed;” a call will be made to the parent/guardian to bring uniform clothes so the student can get into a proper uniform. *Note: For serious and/or repeated violations of the dress code, immediate consequences may be warranted. Also every effort will be made by the school staff to find used uniforms in our uniform supplies that could help a situation when the uniform had been ripped or damaged.
